This is the ***second*** call for WG2 meeting # 38 from 21-24 March 2000 in Beijing, China. The host organization is the Chinese national body (CESI). The logistics for hotels and meeting site have changed since the 1<sup>st</sup> call was issued but the new information has been posted to the SC2/WG2 website as attachments to this 2<sup>nd</sup> call in document N2155. *Mr. CHEN, Zhuang of CESI is the contact point for logistics. **Please note that a visa is usually required, for most nationals, to enter China. Here is the message from Mr. Chen on logistics:***

***[Begin quote]:***

Before the last mail, we contacted several hotels. We were told that the Beijing Friendship Hotel was a good place to have an international meeting. But when we investigated its meeting rooms on site, we found the meeting room we reserved was too small (for 40 persons, we think) and other meetings preoccupied the bigger ones.

We then investigated other hotels and reserved a meeting room in the Beijing Continental Grand Hotel, which is located in the Asian Olympic Village, north of Beijing. The hotel offers discount, so we suggest WG2#38 attendees to book rooms at this hotel. Here is the address, phone and fax for the hotel:

Beijing Continental Grand Hotel  
 No.8 Beichengdong St., North Sihuan Rd., Beijing, China, 100101  
 Phone number: +86-10-64910153, 64933754  
 Fax number: +86-10-64910106, 64912651

Room Rate:  
 Standard Room (Four Stars): USD 65.00 including one person's breakfast. (Market price USD 120.00)

Luxurious Suite: USD 238.00 excluding breakfast. (Market price USD 280.00)  
Business Suite: USD 255.00 excluding breakfast. (Market price USD 300.00)  
Super Luxurious Suite: USD 297.00 excluding breakfast. (Market price USD 350.00)

A form of the personal information is attached, marked as Attachment A. The China State Bureau of Technique Supervision (CSBTS) will distribute official invitations to all WG2#38 attendees if they want; CSBTS wants us (Chinese Electronics Standardization Institute, or CESI) to collect necessary personal information of attendees. Also, the Beijing Continental Grand Hotel wants us to provide the guests' information; it will be easy for them to reserve enough rooms. I have some information from some attendees but I need more information from them.

If you have troubles while reserving rooms, please feel free to contact Mr. CHEN Zhuang.

*[End quote]:*

WG2 will be meeting starting at 9:00 am Tuesday, 21 March 2000 and conclude on Friday, latest by noon, on 24 March 2000.

This *second* call for WG2 meeting # 38 includes an updated preliminary agenda. It will be broadcast by email and posted to the SC2/WG2 website at URL: [www.dkuug.dk/JTC1/SC2/WG2](http://www.dkuug.dk/JTC1/SC2/WG2). The documents that were distributed at the last WG2 meeting were mailed in October 1999 to those who did not attend meeting #37 in Copenhagen, Denmark. The next SC2/WG2 mailing will be sent to the updated WG2 distribution list in January 2000. There is no plan to send out another mailing prior to the March meeting but relevant documents to the meeting will be placed on the agenda and distributed via the SC2/WG2 web site.

The objective of this meeting is to continue the WG2 program of work, with special focus on 10646-part 2, whose first CD ballot closes on 2000-02-29.
