Title: Liaison statement on IETF matters

Date: 2000-09-18

Source: SC2 liaison to IETF, Keld Simonsen

IETF has recently approved a number of charset registrations, including registrations for iso-8859-13, iso-8859-14, iso-8859-15, UTF-16, UTF-16LE and UTF-16BE.

IETF has adopted RFC 2781 on UTF-16.
