Subject: Recommendation to change name of INCITS/L2

Action Requested: Decide whether to change name

I recommend that the members of L2 consider changing its name to reflect L2's position as TAG to both JTC 1/SC 2 and to JTC 1/SC 22/WG 20. L2's present name of "Codes and Character Sets", fails to include its additional responsibilities with SC 22/WG 20. I recommend that the new name be something like: "Codes, Character Sets, Internationalization and Localization" or "Codes, Character Sets, and Internationalization". I believe that Arnold Winkler has used a similar name unofficially in previous annual reports, but L2 has never formalized the name change.

To change the name, first the L2 members need to approve the name change, and then NCITS needs to approve it.
