

**Public Review Issue #83****83****Changing Glyph for U+047C/U+047D Cyrillic Omega with Titlo****2006.01.30**

UTC has received information indicating that the glyphs for U+047C and U+047D should be changed. In the accompanying figure below, the current shape is shown on the left. The proposed new shape is shown on the right. UTC will move to implement this change if no information to the contrary is received by the end of the review period.
