Title US Delegation to IRG meeting #28
Source INCITS/L2
Date May 21, 2007
To Dr. Lu, IRG Rapporteur

Dear Dr. Lu,

We regret to inform you that Mr. John Jenkins will not be able to participate at the next IRG meeting in Xi'an. Also, it is uncertain whether Dr. Richard Cook will be able to participate. However, both should be available by phone, should you need their help.

From the point of view of INCITS/L2, both Mr. Jenkins and Dr. Cook are experts invited by the US national body, but are not formally representatives of the US. This has no bearing on their status vis-à-vis the Unicode Consortium.

Sincerely,
Eric Muller,
INCITS/L2 Chair.
