Dear Dr. Mark Davis,

Please refer the proposals for Encoding of Grantha in Unicode and the discussions on the mail group. A thorough discussion with all the stakeholders is required to finalize a unified proposal including Govt. of Tamil Nadu. We are going to organize a meeting of all the experts/ stakeholders including Government of Tamil Nadu, Prof. Shrirammana etc. in the first week of September, 2010 to arrive at consensus on the various issues for encoding of Grantha script. We shall be submitting our inputs after consulting with all the experts during the proposed meeting.

We request you to withhold any decision on the various code points for encoding of Grantha as we shall be submitting the Gol proposal for consideration of UTC.

Yours sincerely,

(Swaran Lata)
