दिनांक/Dated.....27-01-2011

Dear Dr. Mark Davis,

Please refer the proposal for Encoding of Grantha in Unicode submitted by Govt. of India. Based on the concerns expressed by Government of Tamil Nadu, Govt of India requested Unicode Consortium to defer the decision on the Grantha encoding. Government of Tamil Nadu has constituted a committee to examine the various issues with respect to Unicode encoding of Grantha. The committee is likely to submit its report soon.

We shall be submitting our inputs after we receive the Govt. of Tamil Nadu recommendations on the issue. Hence, we request you to postpone the discussion/ decision on the Grantha Encoding till Gol submits its input to UTC.

With Regards.

Yours sincerely,

N. Ravi Shanker
