

## ISO/IEC JTC 1/SC2 WG2 N4457

**Doc type: Working Group Document**

**Title: Name changes for Siddham Section marks**

**Source: Deborah Anderson and Anshuman Pandey (SEI, UC Berkeley), Michael Everson, and Shriramana Sharma**

**Status: Liaison Contribution**

**Action: For consideration by JTC1/SC2/WG2**

**Date: 2013-6-11**

The following are proposed name changes for Siddham section marks, originally proposed in N4336.

The name changes here describe the shape of the characters, and hence follow the usual practice in the UCS. The characters preceded by an asterisk below were mentioned in the US ballot comments for DAM2.
