

# Emoji ad-hoc committee recommendations to UTC #141

*To:* UTC  
*Date:* 2014 October 23  
*From:* Emoji ad-hoc subcommittee

---

1. The emoji ad-hoc recommends that the symbols in the following documents be approved for encoding in a future version of the Unicode Standard:
  - a. [Emoji and Symbol Additions - Religious Symbols and Structures](#), L2/14-235
  - b. [Emoji Additions: Sports symbols](#), L2/14-273
  - c. [Emoji Additions: Popular requests](#), L2/14-272
2. Regarding [Afroji™ Emoji Symbols Proposed for Encoding](#), L2/14-229
  - a. The emoji ad-hoc will propose updates to the [Criteria for Encoding Symbols](#) and suggests that the updated version be made more visible. It will also review/ incorporate material from the original symbols subcommittee: [unicode.org/L2/L2008/08081-emoji-wd.html](http://unicode.org/L2/L2008/08081-emoji-wd.html)
  - b. The emoji ad-hoc will propose guidelines on how to use images in messages (this could include vendor guidelines for developers and/or users, etc.), partly to extend the material in TR51 or for FAQ items.
