In December 2014, Deborah Anderson received an NEH Preservation and Access grant for work in 2015-2016. The project is still seeking additional funds in order to make the NEH matching goal and to provide long-term sustainability for the project. Potential future script work (outside of the NEH) includes work on Proto-Cuneiform, Proto-Elamite, Runic extensions, Latin extensions, and Mayan hieroglyphs, all of which are being discussed with experts.
