This document reports errors in the glyphs for four characters encoded in the CJK Unified Ideographs Extension C and E blocks. The source for all four characters is *Hàn yǔ Fāng yán Dà Cí diǎn* 汉语方言大词典 [Great Dictionary of Chinese Dialects] (Beijing, 1999), and images from this dictionary given below show the correct glyph forms for these characters. The glyphs for these four characters should be corrected, and in two cases the stroke count needs to be adjusted.
