SUBJECT: New charts for Northern and Southern Palaeohispanic
DATE: 10 January 2019

Attached are charts for Northern Palaeohispanic and Southern Palaeohispanic by Joan Ferrer et al. The separation of a unified Palaeohispanic script (such as in [L2/18-283](#)) into Northern and Southern scripts was requested by the Script Ad Hoc group ([L2/18-300](#)), in its review of L2/18-283.

	10238	1/4							
	10239	1/2							

NI+ = Northeastern Iberian dual standard

NI++ = Northeastern Iberian dual extended

NI- = Northeastern Iberian non dual

WC+ = Western Celtiberian dual

WC- = Western Celtiberian non dual

EC+ = Eastern Celtiberian dual

EC- = Eastern Celtiberian non dual

Encoded glyph			Southern

SI + = Southeastern Iberian dual

SW = Southwestern Palaeohispanic

For the signs of unknown phonetic value, we use a conventional code (S standing for sign + number), following de Hoz (2010).
