Dear Unicode Committee,

We, the Karnataka Tulu Sahitya Academy (KTSA- A Government of Karnataka Body) is committed to securing Unicode recognition for the Tulu language the dedicated efforts of Dr. Praveenraj S. Rao and his team.

Our proposal to encode the Modern Tulu script in Unicode is essential for the digital accessibility of Tulu in all flatforms . We urge you to prioritize this officially backed submission to ensure clarity and avoid confusion from any other proposals.We request your consideration and approval.

Thank you for your time and support.

Best regards,

President,

Karnataka Tulu Sahitya Academy (KTSA)

From,

Shri Tharanatha Gatti kapikad
President
Karnataka Tulu Sahitya Academy,
Mangalore,

Sub: KTSA authorization to continue Unicode KTSA proposal L2/22-034, L2/21-019.

I would like to thank everyone for your active interest in Tulu Unicode. I have recently taken over as the President of Karnataka Tulu Sahitya Academy. We would like to follow up on documents requested to support KTSA's Unicode submission on modern Tulu usage and script selection for computers, schools and the digital realm.

I would like to lend my support to the KTSA team's effort towards Unicode, done previously proposal which was L2/21-019. L2/22-034.

led by senior font technician by Dr. Pravinraj S Rao with the support of Dr. Radhakrishna Bellur, Dr. Kekunnaiah. P. And researcher & Technical expert who developed Indic Keyboards Dr. Guru Prasad. Other scholars will actively help you with the requested documents supporting modern Tulu usage and its stability. We will use ksa.unicode@gmail.com for correspondence. Kindly

work with Dr. Pravinraj S Rao and team towards the allocation of modern tulu
Unicode script .

Yours Truly

Tharanatha Gatti kapikad

President
