The Unicode Standard, Version 4.1
This file contains an excerpt from the character code tables and list of character names for

Characters in this chart that are new for The Unicode Standard, Version 4.1 are shown in conjunction with any existing
characters. For ease of reference, the new characters have been highlighted in the chart grid and in the names list.

This file will not be updated with errata, or when additional characters are assigned to the Unicode Standard.
See http://www.unicode.org/charts/ for access to a complete list of the latest character code charts.
See http://www.unicode.org/Public/4.1.0/charts/ for a complete archived file of character code charts for Unicode 4.1.

Disclaimer
These charts are provided as the on-line reference to the character contents of the Unicode Standard, Version 4.1 but do
not provide all the information needed to fully support individual scripts using the Unicode Standard. For a complete
understanding of the use of the characters contained in this excerpt file, please consult the appropriate sections of The
Unicode Standard, Version 4.1, at http://www.unicode.org/versions/Unicode4.1.0/, including sections unchanged in The
Unicode Standard, Version 4.0 (ISBN 0-321-18578-1), as well as Unicode Standard Annexes #9, #11, #14, #15, #24, #29,
#31, and #34, the other Unicode Technical Reports and Standards, and the Unicode Character Database, which are
available on-line.

See http://www.unicode.org/ucd/ and http://www.unicode.org/reports/

A thorough understanding of the information contained in these additional sources is required for a successful
implementation.

Fonts
The shapes of the reference glyphs used in these code charts are not prescriptive. Considerable variation is to be expected
in actual fonts. The particular fonts used in these charts were provided to the Unicode Consortium by a number of
different font designers, who own the rights to the fonts.

Terms of Use
You may freely use these code charts for personal or internal business uses only. You may not incorporate them either
wholly or in part into any product or publication, or otherwise distribute them without express written permission from
the Unicode Consortium. However, you may provide links to these charts.

The fonts and font data used in production of these Code Charts may NOT be extracted, or used in any other way in any
product or publication, without permission or license granted by the typeface owner(s).

The Unicode Consortium is not liable for errors or omissions in this excerpt file or the standard itself. Information on
characters added to the Unicode Standard since the publication of Version 4.1 as well as on characters currently being
considered for addition to the Unicode Standard can be found on the Unicode web site.
