

The Unicode® Standard

Version 9.0 – Core Specification

To learn about the latest version of the Unicode Standard, see <http://www.unicode.org/versions/latest/>.

Many of the designations used by manufacturers and sellers to distinguish their products are claimed as trademarks. Where those designations appear in this book, and the publisher was aware of a trademark claim, the designations have been printed with initial capital letters or in all capitals.

Unicode and the Unicode Logo are registered trademarks of Unicode, Inc., in the United States and other countries.

The authors and publisher have taken care in the preparation of this specification, but make no expressed or implied warranty of any kind and assume no responsibility for errors or omissions. No liability is assumed for incidental or consequential damages in connection with or arising out of the use of the information or programs contained herein.

The *Unicode Character Database* and other files are provided as-is by Unicode, Inc. No claims are made as to fitness for any particular purpose. No warranties of any kind are expressed or implied. The recipient agrees to determine applicability of information provided.

About this Publication

The main text of this book is set in Minion, designed by Rob Slimbach at Adobe Systems Incorporated. The text of the character names list is set in Myriad, designed by Carol Twombly and Robert Slimbach at Adobe Systems Incorporated. The main text was typeset using Adobe FrameMaker 9 running under Windows 7. Figures were created with Adobe Illustrator. The code charts were produced with Unibook chart formatting software supplied by ASMUS, Inc.

For font contributors acknowledgements, see: <http://www.unicode.org/charts/fonts.html>

The cover artwork is an original design by Gabee Ayres, a student and teaching assistant at the University of Pennsylvania with a background in fine arts, design and logic. Of her design, Ms. Ayres says, “I wanted to create a cover that reflected the technology inherent in Unicode without looking impassive or unwelcoming.”
