Unanimous
Action: IRG Rapporteur

The IRG accepts the Errata Report and Document Management system proposal in document (IRG N1241) and resolves to maintain an Online Management and Review Software in the IRG website (at http://www.cse.cuhk.edu.hk/~irg/index.htm) to facilitate recording of CJK errata reported and discussion. The IRG requests the Unicode Consortium to maintain a hyperlink from the Unicode Consortium website when the system is in place.

The IRG instructs its Rapporteur to report the new arrangement to the WG2.

Resolution IRG M27.9: Review of IICORE and safe characters for security (ref.: WG2N3103-A)

Unanimous

The IRG resolves to ask its members to review the IICORE and safe characters for security (with reference to UTR 36 and RFC 3743) and report the findings in the next IRG Meeting.

Resolution IRG M27.10: Appreciation

By Acclamation

The IRG expresses its regrets that external circumstances prevent IRG #28 Meeting from being held on Taiwan island. The IRG deeply appreciates the time and energy that the TCA has expended in preparing to host IRG #28 Meeting, and the TCA's consistent support for the IRG and its activities. The IRG further appreciates the TCA's persistent endeavours to host IRG meetings and hopes that it will soon prove possible for them to do so.

The IRG would like to express its sincere appreciation to the IRG#27 meeting host, the Standardization Administration of China (SAC) and the China Electronics Standardization Institute (CESI). The IRG would also like to thank Mr. Su Zhong Min, the Assistant Director of SAC, Ms Lin Ning, the Deputy Director of CESI, Mr. Wang Li Jian, Ms Dai Hong for their excellent logistics, arrangements and hospitality.
