IRG approves the content of CJK Extension B as revised during IRG #37 and made available as IRG N1828 which will be used by the ISO/IEC 10646 Project Editor to produce the CJK Extension B multi-column code charts for FDIS 10646 3rd edition. The IRG further instructs its Rapporteur to forward the Errata Report generated from IRG #36 and #37 in the consolidated document IRGN 1838(WG2N4173) to WG2.

5. IRGWDS Update (==for information==): Resolution IRG 37.5
Based on comments provided in IRG N1826 from ROK, the IRGWDS will be updated by its editor one month before IRG #38 for discussion and finalization in IRG #38.

6. Investigating the Use of IVD for Unifiable Character Submissions (==for information==): Resolution IRG 37.6
The IRG encourages its members to consider using the IVD to register IVSes as a viable solution for submitted characters that become unified, but whose distinctions are deemed important enough to preserve in "plain text" contexts. The IRG considers it inappropriate to be an IVD registrant.

7. Old Hanzi Work (==For information==): Resolution IRG37.7
Old Hanzi will have one round of review after IRG Meeting No. 37 for Shuowen index 77-540 and hold an Ad Hoc Meeting in Tokyo, Japan 2012-02-20~23 for review and future plan for reporting at IRG Meeting No. 39.

8. Old Hanzi Principles &References Version 3 draft (==for information==): Resolution IRG 37.8
The IRG requests the Old Hanzi Expert Group to review the revised Old Hanzi Principles and References (IRG N1827 Appendix) and also suggestions for further revision (Section 1 of IRG N1827), and to submit feedback for discussion at IRG #38.

9. Old Hanzi Coding Framework (==for information==): Resolution IRG 37.9
The IRG requests that the Old Hanzi Expert Group to review Japan's proposed coding framework along with other member boday and IRG feedback. IRG requests the Old Hanzi Expert Group to come up with a preliminary coding requirement specification for discussion at IRG #38. The IRG further requests the Old Hanzi Expert Group to review an input from TCA on font production in terms of design and give feedback for discussion in IRG #38.

10. IRG Principles &Procedures Update ==(for review)==: Resolution IRG 37.10
The IRG accepts the revised version of the IRG Principles and Procedures (IRG N1823/WG2N4172) with inclusion of horizontal extension and some editorial changes. WG2N4172 is submitted to WG2 for feedback.

11. New kIRG_JSource Source Proposal(==for information==): Resolution IRG 37.11
The IRG encourages member bodies to review the proposal from USA/Unicode for a new kIRG_JSource source, "JADOBE," for discussion at IRG #38.

12. Extension F Preliminary Proposals(==for information==): Resolution IRG 37.12
The IRG requests member bodies to submit preliminary requirement and/or proposals for possible extension in preparation for its work schedule planning at IRG #38.

13. Providing Total Strokes in Submissions(==for information==): Resolution IRG 37.13
In response to WG2 request(IRGN 1789, IRGN 1790) for an additional total stroke count requirement, some IRG members need more time to consider the implication for future submissions although some members have considered it acceptable. The IRG further request its member bodies to give their feedback for discussion in IRG #38
