JP		(many)		ed	6.6.5.4 of ISO/IEC Directives, Part 2, 2011 specifies as follows: The figure designation and title shall be separated by a dash. Similarly, 6.6.6.3 of of ISO/IEC Directives, Part 2, 2011 specifies as follows: The table designation and title shall be separated by a dash. In addition to above, although ISO/IEC Directives does not explicitly specify it by words, the general understanding is above "dash" means "long dash.", as shown in the EXAMPLE 6.6.5.4.	Use long dash between the table designation and title, and the figure designation and title.	
JP		(many)		ed	ISO/IEC Directives, part 2, 2011 does not explicitly specify it by words, but the general understanding is the note designation and description shall be separated by TAB, as shown in the EXAMPLE of 6.5.1.	Use TAB between the note designation and description.
