Dear Colleagues,

In accordance with clause 14.3.2 of the ISO/IEC JTC 1 Directives, Third Edition, JTC 1 Subcommittees are instructed to review all standards assigned to them for development within the two years prior to the JTC 1 periodic review with a view to making a recommendation concerning confirmation, revision or withdrawal of each standard.

In order to provide you with sufficient time to accomplish this review, I have attached the list of standards for periodic review in 1999. Please forward this information to your SC for further action as per clause 14.3.2.

If there are any questions regarding this request, please let me know. Also, if you are unable to read the attached .pdf file, please let me know and I will send you a paper copy.
