

Title: UTC Comments on 10646-2  
Source: Unicode Technical Committee  
Author: Lisa Moore, Chair, UTC  
Distribution: UTC/L2  
Action: For Discussion at UTC 84/L2 181  
Date: July 28, 2000

At UTC 83, the Unicode Technical Committee wished the following issues brought forward as comments during the UTC 84 discussion of 10646-2:

- Do not include 1D191 VOID NOTEHEAD (Western Music Symbols)
- Include bold fraktur in Math
- We do not need open face italic (swap out for bold fraktur)
- We will need to accept the repertoire of CNS 527 compatibility characters
