

Title: Mismatched T-Source Identifiers

Author: William T. Nelson

Date: 2020-01-05

The kIRG_TSource values for the three CJK ideographs in the table below do not match the IDs on the CNS 11643 website.

Char	Code Point	Unicode 13 T-Source ID	CNS 11643 ID
嗑	U+55B9	TE-5FAF	TE-5F2F
𪛗	U+841C	TE-5D58	TE-5D48
𪛖	U+2B74E	TB-733E	TB-7334

If TCA can confirm the CNS 11643 data, the values should be corrected in UAX #38 and the code charts.

History

H.W. submitted an error report as [feedback for PRI #389](#), but no disposition or action item was recorded in the UTC meeting #158 minutes.
