Action: For approval at SC2 plenary at Seattle (March 1998)

Circulation: ISO/IEC JTC1/SC2

ISO/IEC JTC1/SC2/WG2

ISO/IEC JTC1/SC2/WG2/IRG

This is a proposed disposition on CD ballot comments on PDAM-13.

Japan: Accepted in principle

Japan wants to clarify the sources of "questionable JIS X 0208 characters".

China will provide the information to Japan

The sources data to be as is.

Korea: Withdraw the comment.

UK: Accepted.

UK requested to change the title because wording IS/HS is not easy to understand.

-----end of disposition-----
