Ideographic Rapporteur Group**

Editing Report

Source : IRG

Meeting: Oracle, Belmont, CA, USA

Title : Editing Report

The Editor group has worked through the reports, Reinstatement from HKSAR (N611), SuperCJK 4.0 Kang Xi correction (N614), Stroke Errors (N603), and Unification Errors (N606) and would like to make the following recommendations.

1. Reinstatement from HKSAR in Extension B (N611)
The Editor group has accepted HKSAR's request to reinstate 588 Hong Kong characters which were withdrawn in the last editorial meeting held in Beijing, August, 1998.
2. The Editor group has reviewed the SuperCJK 4.0 Kang Xi Correction list (N614) and has produced a revised document, N614R. In N614R, Kang Xi Index and HYD Index errors, glyph errors, character duplications and omissions are rectified.
3. Countries/regions will check the documents attached which include the Unified Character List, the Same Character List, the Un-unified Character List and the Recheck Character List one more time and will report the results to the IRG Chief Editor before 21st Dec. 1998.
4. All the above recommendations should be included in the SuperCJK 5.0.
