ISO/IEC JTC 1/SC2/WG2/IRG

Ideographic Rapporteur Group

Secretariat: China

Source / Contribution Identifier: Japan

Meeting: IRG#19 @ Macao

Title: A Font Error in Extension-B Code Chart (of Published ISO/IEC 10646-2:2001) and in SuperCJK

Keywords:

Status: National Body Contribution

Short Description: This contribution points out a font error both in Extension-B Code Chart and in SuperCJK.

Proposed Conclusion / Requested Action: To be discussed in Editorial Group.

Arguments / Text of Contribution: See attachment.

A Font Error in Extension-B Code Chart (of Published ISO/IEC 10646-2:2001) and in SuperCJK

During review process of Japanese proposal to Extension-C, one of the reviewers found a font error that is not reported in IRG N869 (Font Error (8 Ideograph) In SuperCJK.) Since this is an H-source-only character, Japan wants Hong Kong to confirm.
