Source/Contribution Identifier : Hong Kong Special Administrative Region (HKSAR)

Meeting : 22nd IRG Meeting in Chengdu, Sichuan, China

Title : Submission of Characters by the HKSAR Government for Inclusion in the ISO 10646 standard

Status : Member Submission

Requested Action: The HKSAR Government submits one character (serial number #1 in the attachment) for IRG's considerations to inclusion in the ISO/IEC 10646 standard.

For completeness and avoidance of any possible omissions, the other one character (serial number #2) which had been submitted before were also listed in the attachment. The two characters had been submitted under the document N963. We wish to seek IRG's considerations for inclusion of the two characters in the ISO/IEC 10646 standard.
