IRG\_Korea reviewed the suggestions of Lu Qin and USA(Bishop and Cook) about CJK Strokes. Our committee had no objections for the submitted suggestions.

Our committee want to add two strokes. One is the strokes that US(Bishop and Cook) suggested and the other is the strokes that is for the triangle characters.

The two strokes that we want to add is as follows.

Number	Code	Form	character	pronunciation (usage)	Name
1	3514	<b>○</b>	형(○)	kang (personal name)	CJK Stroke ○
2	3403	<b>\</b>	↑(□)	ma (place name)	CJK Stroke \
