Reference:	
No. of pages:	**1**
Medium:	**Electronic**

Suggestion to C1:

Back to V5.2.

V6.1, the subset of V5.2, does not cover most of currently urgent characters in V5.2.

We do not have enough time to finish C1 and put it to Amendment 3.

In order to ensure urgent characters to be included in C1 and the quality of C1, we suggest back to V5.2.
