

TCA evidences for CJK C1

1. As resolved in IRG M26.5, TCA submits evidences for its characters in CJK C1.

We refer these characters by CNS11643 standard source.

(1)Part1: Characters are from plane C, used in Person's name.

(2)Part2: Characters are from plane D, used in Person's name.

(3)Part3: Characters are from plane E, used in Person's name.

For the privacy reason, characters are only shown its shape, readings and source.

2. Although these characters are person's name (data are form the government), we still re-check these characters with the household register's systems, if we could not find the character with the ID number, than we deleted the character. Because it mean these characters are not used it.

Next 2 pages are the samples of back-check processing.
