Subject: M set/D set --> M-set/D-set in IRG P&P Version 5 (IRG N1646)

Relevant doc(s): IRG N1646Confirmed.doc IRG P&P Version 5 confirmed

1. In IRG N1646 IRG P&P Version 5 confirmed, terms M-set and D-set are used consistently except in a few places as noted in 2 below.

– The author suggests that terms M set/D set be changed to M-set/D-set so that the terms are used consistently.

2. The terms M set/D set, NOT M-set/D-set are used in the following places:

1) p. 2

4. Guidelines for Comments and Resolutions on Working Sets	12
4.1. Guidelines for M Set	12
4.2 Guidelines for D Set	13

2) p. 12

3.7 Final Checking Stage

- a. All member bodies' editors are requested to check M-set intensively based on comments and conclusions made in all previous stages. In the final checking stage, no ideographs are allowed to be moved from D Set to M Set.

3) p. 12

4.1 Guidelines for M Set

4) p. 13

4.2 Guidelines for D set

Ideographs in D Set are the ones that ...
