1. Attended WG2#58

Chinese delegation attended the WG2#58 in Helsinki in June 2011 for CJK issues and proposals on Chinese minorities' scripts and ancient scripts.

2. Updated CJK\_B fonts for G characters

We updated fonts for CJK\_B multi-column code charts. We checked the IRGN1748 (new code charts) and will continuously update our fonts according to IRG#37 decisions.

3. Updated CJK\_E G evidences

Some questioned glyphs and evidences of CJK\_E G characters were reviewed, updated evidences were submitted in IRGN1780. We will withdraw some questioned characters if IRG require at IRG#37.

3. Attended the Old Hanzi Ad Hoc in Taipei

Some old hanzi experts from the Bijing Normal University and technicians from the China Electronic Standardization Institute attended the Old Hanzi Ad Hoc in Taipei in September 2011. We are going to continue the old hanzi job at Japan meeting in 2012.
