

Universal Multiple-Octet Coded Character Set UCS
---

ISO/IEC JTC1/SC2/WG2/IRG N1881

Date: 2012-08-28

Source:	Vietnam
Title:	Withdraw V04-486A (03098)
Meeting:	IRG#39
Status :	National Contribution
Distribution:	IRG
Medium :	Electronic
Page:	1
Appendix:	

Vietnam has investigated the character 03098 (V04-486A) under suggestion from Japan and found that the both bitmap font and TrueType font for the character are not correct according to Vietnam's sources submitted. In the case, the existing glyph for V04-486A is not supported by any source.

Vietnam proposes to withdraw the character V04-486A from the Extension E.
