## **1. Editing project:**

The Vietnamese Nôm Preservation Foundation is taking charge of the technical implementation of the new dictionary of Prof. Nguyen Quang Hong, *Từ điển Chữ Nôm*, which is now finished. Its publication is scheduled for early 2014.

## **2. Formation of a new list**

The Vietnamese Nôm Preservation Foundation members are preparing a list of characters not yet submitted, extracted from the new dictionary of Nôm characters, *Từ điển Chữ Nôm trích dẫn*, published in the U.S. in 2008. They think this list should be submitted for the coming extension.
