Activity Report of the Hong Kong Special Administrative Region

Adoption of ISO/IEC 10646

1. During the period from 8 October 2018 to 29 April 2019, the HKSAR Government received applications to include a total of 34 characters in the Hong Kong Supplementary Character Set (HKSCS). All the applications have been carefully examined and verified. All 34 characters are already included in the ISO/IEC 10646 standard and assignment of new code points is not necessary.

Request to Include by Horizontal Extension a New HKSCS Character in the H-column of the ISO/IEC 10646 Standard

2. A request (IRGN2368) has been submitted to the IRG to include by horizontal extension a new HKSCS character "奶" in the H-column of the future version of ISO/IEC 10646 standard. The request for adding the character to the HKSCS was approved in the 26th meeting of the Chinese Language Interface Advisory Committee of the HKSAR held on 14 January 2019.

Review of CJK Working Set 2017 v3.0

3. The Office of the Government Chief Information Officer, in conjunction with the Official Languages Division of the Civil Service Bureau of the HKSAR Government, reviewed the CJK Working Set 2017 v3.0 and provided feedback to the IRG for consideration and discussion at IRG meeting No. 52. The comments offered mainly concerned glyph design, radical, Ideographic Description Sequence, first stroke, stroke count and total strokes of the proposed characters.
